THREE STEPS TO BE SURE YOU'RE READY TO VOTE

1

LEARN THE STAKES

See what's on your ballot at myvote.wi.gov and then do your homework on where candidates stand on our issues.

2

CHECK YOUR STATUS

Confirm your registration at myvote.wi.gov. Moved, married or sat a recent election out? This might impact your voting status.

3

ASK THREE FRIENDS

Check in with a colleague, someone at home and one person outside education to be sure they're ready to vote, too. Send them the myvote.wi.gov link and ask them to verify their voting information.
