

FUND OUR SCHOOLS. STOP THE REFERENDUMS.

Wisconsin schools keep going to referendum because the state stopped keeping pace. After inflation, per-pupil resources are worth less than they were fifteen years ago, and general school aid was frozen both years of this budget. Special education came in at 35% instead of the 42% promised. The legislature that sets general aid is on the ballot.

THREE STEPS TO BE SURE YOU'RE READY TO VOTE

1

LEARN THE STAKES

See what's on your ballot at myvote.wi.gov, then do your homework on where candidates stand on school funding.

2

CHECK YOUR STATUS

Confirm your registration at myvote.wi.gov. Moved, married or sat a recent election out? This might impact your voting status.

3

ASK THREE FRIENDS

Check in with a colleague, someone at home and one person outside education. Send them the myvote.wi.gov link and ask them to verify their voting information.
