EDUCATORS VOTE

ELECTION DAY → TUESDAY, NOVEMBER 3, 2026

THE ASK.

If you're in an in-person meeting, ask everyone to take out a phone and do all three steps before leaving.

1

LEARN THE STAKES

Ask your business office how much your district transfers from its general fund to cover special education each year. Then read who WEAC members have recommended in your races at weac.org/vote. Educators screened and chose them.

2

CHECK YOUR STATUS

Go to myvote.wi.gov and confirm you are registered at the address where you live. Moved, changed your name or sat out an election? That can affect your registration status or polling place. Request an absentee ballot or find early voting hours on the same site.

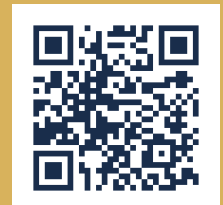

3

ASK THREE FRIENDS

Text three people before you put the phone down: a colleague, someone at home and one person outside your school community. Parents of students with IEPs are a natural audience for this one. Ask them to text you back the word **done**.

CHECK YOUR STATUS → THEN ASK THREE
