

CRUE/WEAC Region 4 Office Closed During School Shutdown

Due to the COVID-19 the CRUE office staff will be working remotely. If you have employment matters to discuss call the office and leave a voice mail or send an e-mail. Staff will be checking their voice mail and e-mail regularly throughout the work week and will return your message as soon as possible. 608-781-1234

Know Your Rights **Educator FAQs on Reopening Schools**

No one knows better than an educator how much students benefit from face-to-face instruction and interactions with their peers, but parents and educators agree we must have the time and resources to reopen safely. NEA and WEAC have put forward plans which mitigate risk, but they require funding from policymakers to ensure social distancing, rigorous cleaning and disinfecting standards, PPE, testing and contact tracing and access to internet and devices for all students.

Understandably, educators have many questions and concerns about reopening schools safely. **The attached document attempts to address those questions and concerns.** If you require guidance on specific individual issues, please contact Steve or Kristen.

The Wisconsin Education Association Council (WEAC) believes that any reopening schools plan must ensure the health and safety of students and staff and also prioritize long term strategies on student learning and educational equity.
