

NATIONAL BOARD CERTIFICATION JUMP START

REGISTER:
[WEAC.ORG/JUMPSTART](https://www.weac.org/jumpstart)

REGISTER BY JULY 5

UW Whitewater
Monday, July 24 -
Wednesday, July 26
8am - 5pm

What is Jump Start?

Jump Start is a comprehensive, three+ day seminar providing early support to National Board candidates. In a supportive, constructive and collegial environment, Jump Start lays the groundwork for the certification process by deeply examining component and assessment center requirements. Time is dedicated to gathering resources and information needed to become successful in certifying. Our program was developed by a national team of Nationally Board Certified Teachers (NBCTs).

Focus is placed on Foundations (NBCT standards & process overview); Component 1 (content knowledge); Component 2 (differentiation in instruction); Component 3 (teaching practice & learning environment); and Component 4 (the effective & reflective practitioner).

Who can attend?

Seating is limited. Preference is given to WEAC members who have an NBPTS candidate ID number. Create a National Board account at nbpts.org/log-in.

Wisconsin is a Jump Start national "Train the Trainer" site. To bring Jump Start to your local education association or state affiliate, register for our session as a "participant observer." You will receive individualized coaching and guidance to begin your own program.

Registration Fees:

WEAC Member	\$200
Drive-In WEAC Member	\$100
Non-Member	\$1,000
Drive-In Non-Member	\$850
Participant Observer	\$650

Facilitators:

Jump Start is led by a fun and dynamic training team of Wisconsin NBCTs.

Jodi Miller: NBCT in EMC Music and Eau Claire Area School District elementary music teacher.

Lyman Elliott: NBCT in AYA Social Studies-History and Madison Metropolitan School District K-12 social studies teacher.

Cyntha Slavish: NBCT in Middle Childhood Generalist Area and retired from School District of Beloit reading specialist grades 4-8.

What's Included?

Registration includes access to training, all materials* and lodging Sunday, Monday and Tuesday nights in a pleasant shared college apartment dormitory setting. Meals and snacks are included.
