

NEA Alternate Director

My name is Tammy Erickson. I am a Glenwood City Special Education Paraprofessional for 27 years. I am currently the Region 1 President and the NEA Alternate Director. The position of NEA Alternate Director has given me the opportunity to advocate for our members and students. This past Fall I had the privilege to lobby in Washington D.C. This was an amazing experience that I hope to continue for another term. This position has become very important to me and the work for our members and students needs to continue for our union.
