WEAC Recommends Judge Susan Crawford for Supreme Court

The Wisconsin Education Association Council, representing public school educators in the state, is recommending Judge Susan Crawford for Wisconsin Supreme Court. In earning the recommendation, educator-members cited Crawford's strong record of protecting fairness and impartiality on the Court.

"Educators recommend Judge Crawford because she is dedicated to Wisconsin, like we are," said Peggy Wirtz-Olsen, a teacher and WEAC President. "Judge Crawford has demonstrated her ability to be impartial, uphold the constitution and keep our communities and schools safe. She shares our values, including hard work and the importance of a good education for every Wisconsin student – no exceptions."
